June 4th - June 26th, 2021

Title of Image **American Spirit**

Dimensions of Image **14x 25**

Medium of Image **Acrylic and metallics**

Price of Image **NFS**

Artist Statement **“American Spirt”. Inspired by my wife (and fellow artist) Nancy and mines journey through the desert Southwest of Arizona and California. Capturing a timeless landscape in vivid colors. We allowed the vivid colors we were witness to come through and let the light tell the story of harsh but absolutely beautiful land. The tattered flag is held in the eagles beak as a sign of respect on a soldiers grave.**
