Dimensions of Image **14 x17**

Medium of Image **Wonder Sauce Print**

Price of Image **\$150**

Artist Statement **Eyes are windows. Through mine I see exotic places, fascinating people and fleeting moments. And then I capture them, cherish them. My favorite photographs surprise me revealing more than I originally saw. Scrolling through them on a monitor is a thrill, I can mix and match, combine, intensify, dilute, crop . . . create. That's the bottom line, you can create with a photograph, and I love it.**
