

Joan Weiss

2021 Annual Members Showcase

June 4th - June 26th, 2021

Title of Image **Now Listen to Me**

Dimensions of Image **18 inches x 24 inches**

Medium of Image **Digital photography**

Price of Image **\$375**

Artist Statement **In my photography, I strive to go beyond a subject's appearance to uncover a deeper, more elusive truth. That truth is revealed to me more vividly through the camera lens than through the naked eye. What I see in the camera lens joins with the impressions stamped in my mind' eye, informing the images I create. One Long Island critic noted that my images really reside in the mind, capturing layers of meaning hidden in plain sight.**
