Price of Image **\$475**

Artist Statement **Since the pandemic began and I've been working from home on my artwork, I have been doing a lot of printmaking without a press- mostly monotypes and linocuts. When you do printmaking, you never really know what you are going to get. To a great extent that has given me a license to keep trying different techniques along with combining them in a single piece. It's very freeing and inspiring.**
