Artist Statement **The natural world is a canvas unequalled for drama and visual experiences that move our inner selves. Color and form found in nature inspires Ron to emphasize composition and the values of light and dark, to create movement and mood. As a realist, Ron uses color and variety of tones to create drama, inviting the viewer into the painting. Layering of color and highlighting nuances of texture are elements he strives to imbue in each piece. Exploring new techniques and ways to work with mediums, as well as expressing the nature of his heart and soul, Ron focuses on environments that illicit a feeling of calm, serenity, beauty or the divine. "Joyous Abandon" was created combining his love of animals and nature. Setting the galloping horses on a beach provided an environment that reflects the openness and freedom one may experience at water's edge.**
