From the Executive Director

Hello Community,

"The Huntington Arts Council enriches the quality of life of Long Islanders with programs and services that address the needs and interests of artists, cultural organizations, and the community." The mission of the Huntington Arts Council

What is a non-profit's mission? Simply put, it is a litmus test filed with the federal government to explain what benefit you provide to the public. The "How's" and "Why's" change over the years. Our mission has remained the same, and all of our new and old programs must hold true to that litmus test; to serve Long Island's creative community.

Welcome to summer and in so doing, one of our core programs that serves the community, the Huntington Summer Arts Festival with long time presenting sponsor Canon, USA. This year's festival will continue to feature long-standing traditions such as The Huntington Community Band, and the Northport Community Band at the Robert F. Krueger Band Shell. These are experiences that make a community. With these traditions will come world-class acts such as Red Barrat, Arturo O'Farrell with the Afro Latin Jazz Orchestra, Latin Night co-presented with Colored Colors, and Dr. K's Motown Revue. I hope to see you at the stage. For the full schedule check the HSAF calendar on page 19.

As we wrap up our programmatic year, I want to take special note of the support we received from the New York State Council on the Arts. Through NYSCA we continue to support artists as we recover from the Covid-19 pandemic. This last year we were able to provide

Crafting a Career You Love with Suzanne Paulinski

over \$350,000 in funding to artists and organizations, and with NYSCA support will be able to commit to these funds again. NYSCA funds were also put to work helping ARTpreneurs through our free professional development series. Covering nine topics that spanned marketing, legal issues, and where to find funding. If you missed last year's sessions, don't fret, you can request recordings from our Gallery & Operations Director, Sarah McCann. Please sign up for our eblast for news about Season 2 which will start this coming fall.

As many services continue, they have to change with the times and needs to best fit the mission of the organization, and ACN is one of those programs. This will be the last newspaper version of this periodical. The cost and postage have caught up with us and it is just unsustainable. Out of this news comes new life to this program. The next issue of this cultural periodical will be

in a magazine format. It will continue to be free to whomever wishes to receive a copy. Please fill out the form on page 3 or go to our website and fill out the "receive by request" form to get a copy in the mail. We will continue to provide our free cultural calendar online, and in this new print format. I am excited to see this new version of our prized periodical come to life.

60 years ago HAC was founded as the local arts agency for Huntington which has since become, and continues to be, the cultural capital of Long Island. We are grateful for your continued support and look forward to working together to see what we can make happen in the next 60 years.

All the best,
Kieran Johnson

In Memoriam

We have recently learned that artist Celeste Jean Mauro of Northport, has passed away. Celeste was an active and engaged member of several local art centers including the Huntington Arts Council. A member of HAC for several years, she most recently was accepted and featured in our Flora & Fauna; Allegories of Nature Exhibition in our Main Street Gallery with her piece "Wild Poppies". Her work was widely featured in shows throughout Long Island and

she was highly regarded by her colleagues. Celeste was a true supporter of the arts in so many ways. She graduated from Adelphi, as an arts major, and went on to be an arts educator teaching fine art, photography and media arts and was a student of interior design. She and a fellow artist also opened Gallery 67 in Northport featuring some of Long Island finest artists. Celeste will be deeply missed and our condolences go out to her family and friends.

Supervisor Town of Huntington
Happy Summer Everyone -

Can you feel that? As summer approaches, so does the feeling of "anything is possible!" Summer is a time of discovery. It's a time for creating memories, getting outdoors and hitting the beach with the

kids. It's a great opportunity to explore our parks, listen to great live music, seeing a performer and thinking, "I want to do that!"

Here in the Town of Huntington, we pride ourselves on offering something for everyone, and this summer will not disappoint. Our partners at the Huntington Arts Council have a variety of exciting performers planned during the month of July, and the Town will be offering performances of community-based organizations in June and August.

Our Historical partners, the Huntington and Northport Historical Societies, the Walt Whitman Birthplace and the Whaling Museum in Cold Spring Harbor all have fascinating offerings, be sure to check out their websites for the latest information:

- www.huntingtonhistoricalsociety.org
- www.northporthistorical.org

- www.waltwhitman.org
- www.cshwhalingmuseum.org

So, we welcome you to come and enjoy the most amazing downtown on Long Island. Take a minute to stop in the Gallery at the Arts Council. Then, continue your travels to Heckscher Park and take in Long Island's best at the Heckscher Museum of Art and stay for a show!

Huntington is Long Island's Cultural Capital of Long Island, so come indulge, and make those memories that last forever. Do something special this summer and make it a Huntington day.

About The Cover

HAC provides our members the opportunity to create work for the cover of the summer issue of our paper that represents the Huntington Summer Arts Festival. This year's piece, Let's Get Festive is by Luanda Lozano. This is her statement about her work. "The illustrations I created are full of joy and playfulness. My goal was to captivate the audience with a vibrant narrative that perfectly captures the essence of the Summer Arts Festival. To achieve this, I used a combination of colors, shapes, and lines to create a unique visual language that speaks directly to the viewer on a visceral level." Luanda strives to create work that is both beautiful and meaningful. For more of her work go to Instagram: @lozanoluandaartist

The Fence Project

Now in its 3rd year, the "Fence Project" is back in Heckscher Park at the Chapin Rainbow Stage. HAC is happy to be able to continue our efforts to provide a visual arts component in combination with the live performances of the Huntington Summer Arts Festival. A series of large banners will be displayed around the perimeter of the area enclosed for viewers coming to the festival. Featured on the banners will be a selection of works from our

artist members who submitted festival inspired pieces for the cover call for the summer issue of our Arts Cultural News. Able to choose only one image for the cover of the paper, the "Fence Project" enables us to share many of the submissions for the general public to enjoy. This is one of the many opportunities we provide our artist membership to help promote and expose the community to their work.

Arts in Education JOURNEY

The Huntington Arts Council's *JOURNEY Arts in Education Program* has been working with local school districts to support cultural arts programs since 1985. Every year our partner school districts schedule artist presentations, borrow discovery chests, participate in the exclusive student art exhibition –

High Arts Showcase and our CTLE teacher professional development courses. This 22-23 school year we partnered with Cold Spring Harbor, Commack, Harborfields, Huntington, Kings Park, Northport-East Northport, Plainview-Old Bethpage and South Huntington.

Discovery Chests

Over 50 Discovery Chests have been loaned this year for classrooms and multi-cultural fairs. These chests include cultural artifacts, descriptions and internet resources. With more than 30

discovery chests on hand, and 10 different world cultures represented, we encourage partner schools to take advantage of these loans. Non-partner schools can borrow the chests for a fee.

Dr. Roy J. Manning, Superintendent Harborfields High School, student Gabriella Messing, Elizabeth DeVaney, Eugenia Ritter.

High Arts Showcase

This past spring the exclusive student art exhibition, **High Arts Showcase XVIII**, presented a superb body of work from 11th and 12th grade students in our partner schools. These students learn firsthand what is involved in a gallery exhibition; from submitting entries, writing an artist statement to titling, framing and pricing their artwork. Six pieces of artwork sold during the exhibition with 100% of proceeds going to the student. Congratulations to all the presenting students and those that were awarded honors. Juror was Constance Sloggatt-Wolf former art educator and full time Artist.

Kings Park High School student Alexandra Zlotnikov, Best in show winner

CTLE Cultural Arts Workshops

HAC is a sponsor for New York State Department of Education and therefore able to provide CTLE (Continuing Teaching and Learning Education) hours as required for teaching certificate holders in New York State. These valuable professional development opportunities embody the goals of the *JOURNEY Program* striving to

promote cultural appreciation in schools through the arts.

This fall CTLE workshops will be in October and November of 2023. The workshops are free for our partner school districts and other teachers in New York State for a fee. Go to www.huntingtonarts.org for information.

Internships

The Huntington Arts Council offers work experience and volunteer opportunities for students year-round. College and high school students may apply for internships to gain valuable work experience or as "student volunteers" to assist with general office tasks. Please

check our website for current internship opportunities.

For more information go to www.huntingtonarts.org. Questions on the Arts in Education Program, contact: sgutierrez@huntingtonarts.org 631-271-8423 ext 114

Visiting Artists

Visiting Artists bring live cultural arts to the students. Two recent of recent school visits are highlighted here.

Northport High School, Capoeira by Omitola Hill and Team for Ms. LaLota, grades 9th-12th.

Capoeira is an Afro-Brazilian martial art that combines elements of dance, acrobatics, music and spirituality. Influenced by enslaved Africans, Indigenous Brazilians and Portuguese influences at the beginning of the 16th century, Capoeira is a constantly evolving

art form. It is known for its acrobatic and complex maneuvers, often involving hands on the ground and inverted kicks. The "Ginga," a rocking step, is usually the focal point of the technique and accompanied with music.

Commack High School, Clay Around the World by Gina Mars for Ms. Razzano, grades 11th -12th

Hand building is a ceramics technique that allows you to create forms with clay and your hands, without using a throwing wheel. Before ceramicists invented the wheel, hand building was the only way to create functional and artistic ceramic

forms. The oldest known ceramic artifact was hand built as early as 28,000 BCE. Students created pieces using techniques such as pinching pots, coiling and slab rolling.

Scholarship Opportunities

The Huntington Arts Council is proud to announce The Joan Aboff Memorial Art Scholarship winner Emma Barbo of Harborfields High School, 10th grade. Her work Blue Morning is featured here.

"When 2020 hit I was forced inside, uncertain of where the world was headed. Many people look back on this time with dread. I actually view it differently. This time allowed me to fine tune my craft and focus my ideas and perspectives. Art became an escape for me as I filled sketchbooks with my ideas, fears, thoughts and questions." Said Emma in her application statement

The Joan Aboff Memorial Art Scholarship is a competitive visual arts scholarship to Usdan; Summer Camp for the Arts for a 4 Week Session. The scholarship is funded by the Aboff family.

At the time of printing this newspaper we had not received the winners of the Sandi Bloomberg and Rea Jacob scholarships for dance. Please check our website for the announcement.

Tranquility
Small Group Show
September 1 – October 14, 2023

Hillary Serota Needle's work in oils is reflective of architecture, flora, landscape and street scenes that she's photographed in her travels, however the beauty of Long Island offers unsurpassed opportunities to create. The serenity of the East End, whether it's on one of the undulating sea shores or in a bright lavender field, brings her to the canvas. Butterflies and birds take sanctuary in her backyard and she's delighted to capture a moment of stillness amidst the frenetic flapping of wings.

Walking into the Sun by Michael Sansone

Michael Sansone, a Huntington, NY resident, attended the School of Visual Arts, and earned an undergraduate and graduate degree from Queens College, CUNY. Sansone was a Studio Art teacher at Manhasset Senior High School, NY, art director and freelance illustrator. He exhibited his work in various shows

Blue One by Emily Martin

Emily Martin is an installation artist, weaver, textile designer, and educator currently working out of Long Island, NY. Drawing inspiration from things like rotting wood, moss growing on tree bark, or cracks in the sidewalk, Martin strives to create multimedia work that evokes a sense of peace. Martin incorporates mundane, natural textures in a new context by both abstracting its qualities and highlighting the relationship between pattern and color. Emily is passionate about sharing her love of color, texture, pattern, and textiles with others.

Edward Acosta is a New York-based Visual Artist whose work, unique style and technique are instantly recognizable for his perfectionist approach to line work and masterful use of color. Always intrigued with art, he has a strong passion for bold design. Acosta has worked with an array of techniques and styles that incorporates Pop Art, Street Art, Graffiti, Abstract Expressionism and Geometric Abstraction. "I am interested in expressing fluidity. As an abstract painter I create shapes and linear forms, which are meant to evoke of a range of motion."

Gallery Volunteers Requested

We are so grateful for the new gallery volunteers we have had this spring. We are looking to increase the number of gallery volunteers so we can be open every weekend this summer! We love to share our ongoing art exhibitions with the general public on the weekends, but can't do it without your help. Being a gallery volunteer requires no specific skills, just

your time and a welcoming smile. We will train you to open and close the gallery, provide information on the exhibition on display, and you choose the days and time. We would be grateful for your help. For questions, please email Sarah J. McCann at SMcCann@huntingtonarts.org. Thank you.
